Announcement & Call for Papers

Come and join your international peers and maintain a leading edge on technology, customers, partners and suppliers. Access the greatest minds in micro and nano research and development. Share knowledge and information and stimulate debates.

Submission of abstracts

Abstracts are expected to describe original work, previously unpublished and should indicate new and significant advances and their importance. Initially short abstracts comprising of approx. 300 words in length should be submitted online at www.euspen.eu.

Following review of short abstracts, authors will be provided with instructions for submitting extended abstracts. On acceptance of extended abstracts, authors are notified of presentation mode (poster/oral). Papers accepted into the conference proceedings are included in Elsevier's citation index. The final decision on acceptance of all papers is made by the Editor and International Scientific Committee of the conference.
