Dear Delegates,

We are very much looking forward to welcoming you the 6th in the series of joint Special Interest Group meetings between **euspen** and ASPE on Advancing Precision in Additive Manufacturing in Nantes, France. To help you with your planning, we have provided a summary of key information for the meeting.

Venue address

LS2N, Ecole Centrale de Nantes – Building S
1 rue de la Noë, 44321 Nantes Cedex 3, France

Registration

The registration desk will be situated inside the lobby and will open on Monday 16th September 2019.

Tutorial Registration: 09:00 - 09:30

SIG Meeting: 13:00 - 13:30.

SIG: Advancing Precision in Additive Manufacturing

16 - 18 September 2019, Nantes, France

Oral presenters

Presentations should be handed in to a member of **euspen** staff or helper on a flashdrive/USB stick either before the start of the day or during coffee breaks. Please note that presentations should be submitted as early as possible before the assigned presentation time to allow minimum disruption to the agenda. Presentations should be in PowerPoint format only. Oral presentation guidelines can be found [here](#).

Poster presenters

Posters will be displayed throughout the event with the programme incorporating dedicated timings to allow delegates the opportunity to view and discuss your poster.

If you have been awarded a poster presentation, please find your allocated poster number on the attached document. Posters will be positioned in the lobby and poster presentation guidelines can be found [here](#).

Table-Top exhibition

The exhibition will be open throughout the 3 day event and coffee breaks will be served in this area. Visit the exhibitors to learn about and discuss their latest products and services.

Exhibitors

Tables will be allocated upon arrival to organisations who have reserved a table. Exhibitors can find some exhibitor guidance from our website [here](#). A dedicated commercial session will take place on **Tuesday 17th September 2019** at **13:45** for exhibitors to give a 5 minute presentation about the company and its capabilities.

Laboratory tour

The tour of the Ecole Centrale de Nantes laboratories will take place on Tuesday 17th September. Delegates attending this tour will be directed to the tour location at the appropriate time. The tour is included in your registration fee.

SIG: Advancing Precision in Additive Manufacturing

16 - 18 September 2019, Nantes, France

Welcome civic reception - Monday 16th September

We look forward to welcoming you to our welcome Civic Reception from **18:30 – 20:30** which will be held at the Chateau des Ducs de Bretagne, Nantes. We invite our delegates to join us at for light refreshments with an opportunity to catch-up with old and new friends in this high profile venue.

Address: 1st Floor “Tour du Fer à Cheval”, Château des Ducs de Bretagne, 4, place Marc Elder, 44000 Nantes

Please ensure you bring your Advancing Precision in Additive Manufacturing delegate badge with you to this event.

If you would like more information please visit our [webpage](#).
