

## Special Interest Group Meeting: Thermal Issues

26 - 27 February 2020, Aachen, Germany

Dear Delegates,

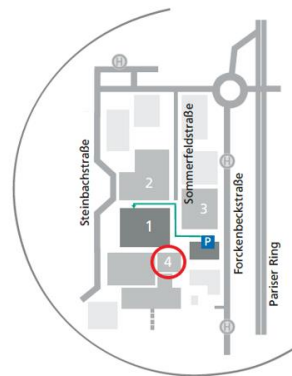

We are very much looking forward to welcoming you the Special Interest Group meeting on Thermal Issues at RWTH Aachen University, Germany. To help you with your planning, we have provided a summary of key information for the meeting.

### Venue address

Laboratory for Machine Tools and Production Engineering (WZL) of RWTH Aachen University  
Manfred-Weck-Haus  
Steinbachstraße 19, 52074  
Aachen, Germany

**Room:** Tagungsraum Nord-Süd,  
located on the third floor.

Directions and parking information for **Manfred-Weck-Haus** can be found here [>>>](#)

- 1 Fraunhofer IPT
- 2 Fraunhofer ILT
- 3 Fraunhofer IME
- 4 WZL, Manfred-Weck-Haus

### Registration

Time: 08:15 - 09:00

Location: The registration desk will be located outside the Tagungsraum Nord-Süd room on the third floor.

The Thermal Issues [programme](#) is now available online.

### Oral presenters

Presentations must be in Powerpoint format and should be emailed to [info@euspen.eu](mailto:info@euspen.eu) by **Thursday 20th February**. Oral presentation guidelines can be found here [>>>](#)

### Poster presenters

Posters will be displayed throughout the meeting allowing delegates the opportunity to view and discuss all posters. A dedicated poster session has also been incorporated into the programme where each presenter will be asked to give a 4-minute presentation. Poster presentation guidelines can be found here [>>>](#)

## **Special Interest Group Meeting: Thermal Issues**

**26 - 27 February 2020, Aachen, Germany**

### **Laboratory tours – Wednesday 26<sup>th</sup> February 2020**

Delegates will have the opportunity to visit multiple test rigs located at both Manfred-Weck-Haus (WZL), and Fraunhofer Institute for Production Technology (IPT) as part of the laboratory tours.

The seven test rigs available to visit are listed on the [tour](#) webpage. Please note that these will not be guided tours. Delegates will be free to move between rigs during the allocated time visiting as many rigs that may be of interest.

At each of the rigs, there will be representatives from either WZL or IPT who will be on hand to provide guiding instructions and to answer any questions.

Tours are included in the registration fee.

### **Networking dinner – Wednesday 26<sup>th</sup> February 2020**

The networking dinner will take place at Karl's Wirtshaus tavern which is located in the beautiful old town of Aachen, diagonally opposite the historic town hall.

**Address:** Karl's Wirtshaus, Markt 17 – 21, 52062 Aachen, Germany

Please note that transport to the Networking dinner will be provided. A coach will depart from outside Manfred-Weck-Haus at **18:30**. Return transport will not be provided.

**Please ensure that you bring your Thermal Issues delegate badge with you to this event.**

### **Travel information**

Information on hotels and travelling to Aachen can be found here [>>>](#)

On behalf of the euspen team and the organising committee, we wish each of you a pleasant and safe journey and look forward to meeting you soon.
