

SIC: Precision Engineering for Sustainable Energy Systems

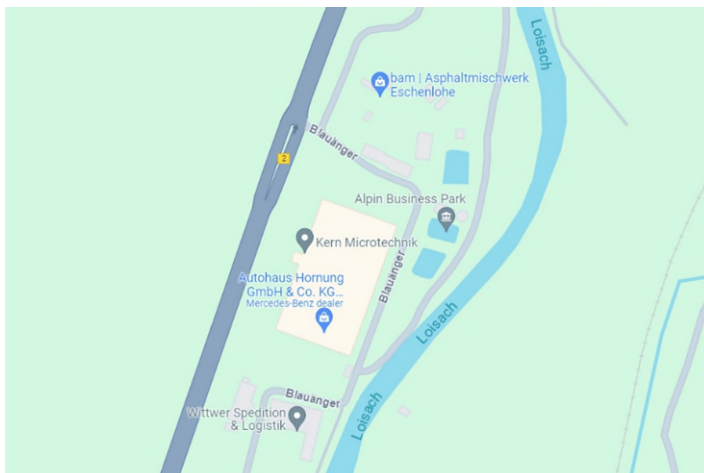

15th – 16th October 2024, Kern Microtechnik GmbH, Eschenlohe, Bavaria, Germany

Dear Delegates,

We are very much looking forward to welcoming you our inaugural Special Interest Group Meeting on Precision Engineering for Sustainable Energy Systems at **Kern Microtechnik GmbH in Eschenlohe, Germany**. To help you with your planning, we have provided a summary of key information for the meeting.

Venue address:

Kern Microtechnik GmbH
Olympiastr. 2
82438 Eschenlohe, Germany

For more information about **Kern Microtechnik GmbH**, visit www.kern-microtechnik.com and watch the short video above

Registration

Upon arrival, please proceed to the registration desk, which will be in the KERN building. Our team will be there to greet you and provide guidance on where to go next. You will be directed to the appropriate room once inside the building.

Registration time: 08:15 – 09:00

You will receive a Precision Engineering for Sustainable Energy Systems delegate badge for access. Please bring this badge with you on both days of the event.

SIC: Precision Engineering for Sustainable Energy Systems

15th – 16th October 2024, Kern Microtechnik GmbH, Eschenlohe, Bavaria, Germany

Oral presenters

Presentations should be handed in to a member of **euspen** staff or helper on a flashdrive/USB stick either before the start of the day or during coffee breaks. Please note that presentations should be submitted as early as possible before the assigned presentation time to allow minimum disruption to the agenda. Presentations should be in PowerPoint format only.

Poster presenters

Posters will be displayed throughout the event with the programme incorporating dedicated timings to allow delegates the opportunity to view and discuss your poster.

If you have been awarded a poster presentation, please find your allocated poster number on the attached document. Posters will be positioned in the lobby and poster presentation guidelines can be found [here](#).

Company tours

The company tours of KERN Microtechnik GmbH will take place on Tuesday, 15th October 2024. Tours are included in your registration fee.

Tour Time: 15:45

Please be prompt. You will be met and directed by **euspen** staff and KERN associates, who will guide you through the tour.

Please ensure you bring your Precision Engineering for Sustainable Energy Systems delegate badge with you for access.

Networking dinner – Tuesday 15th October 2024.

The evening Networking Dinner will be held at the **Hotel Schillingshof**, located in the stunning **Ammergau Alps Nature Park** in **Upper Bavaria**. Nestled at an altitude of 900 meters, the hotel offers breathtaking views of the surrounding landscape, providing a perfect backdrop for a memorable evening.

In keeping with the event's focus on sustainability, the dinner will feature a **vegetarian menu**, showcasing local and seasonal ingredients. This choice reflects our commitment to environmentally friendly practices while still offering a delightful and satisfying dining experience.

In addition to the picturesque setting and sustainable menu, you will have the opportunity to network with colleagues and fellow delegates in a relaxed and serene environment. We look forward to a wonderful evening of connections and conversations.

Address: Hotel Schillingshof GmbH, Fallerstraße 11, 82433 Bad Kohlgrub
