

Empowering academic growth

# MDPI Academic Publishing Workshops

# MDPI is a publisher of fully peer-reviewed, open access journals with a focus on robust and rapid editorial processes.

As a pioneer in scholarly open access publishing, MDPI has supported academic communities since 1996. Headquartered in Basel, Switzerland, MDPI aims to foster open scientific exchange in all forms, across all disciplines.

## MDPI in Manchester

MDPI's first UK office was established in Manchester in 2019, diversifying the open access landscape and bringing our global expertise of high-quality publishing to the UK academic and research community. We currently have over 900 partnerships with institutions and consortia globally, and 66 Institutional Open Access Programs (IOAPs) with top UK universities.

MDPI UK is committed to enhancing transparency, accessibility, and the visibility and impact of scientific voices from Manchester, the UK, and the wider world.

**450+**

research organizations

# About the Academic Publishing Workshop

Our Academic Publishing Workshops offer valuable insights from our professional editorial teams and enable you to learn more about the world of open access publishing.

We cover a range of essential topics with our presentations, aiming to demystify open access publishing and equip authors with the skills they need to successfully publish their research.

## **Who can benefit?**

Training is open to researchers at all stages in their career, as well as experts in the publishing industry.

## **We offer our training to:**

- Universities
- Research institutes
- Scientific and academic centers
- Academic conferences and workshops
- Academic events and PhD days

## **Topics proposed:**

- Benefits of the open access publishing model
- Publication ethics
- Overview of MDPI's journals and services
- MDPI's Editorial Process
- Latest academic updates
