

**Cracow University
of Technology**

**Faculty of Mechanical
Engineering**

Dear Delegates,

We very much look forward to welcoming you to euspen's **26th International Conference & Exhibition 2026** which will take place from **8th – 12th June 2026** at **Premier Kraków Hotel** in Poland.

This event provides a leading forum for industrialists and academics alike to review the best of world-wide industrial innovation, progressive research and technology developments. Delegates will gain an insight into the precision engineering and nanotechnology priorities of Europe's leading industrial nation.

To help you with your planning, we have provided a summary of key information for the conference.

For any questions, please contact info@euspen.eu

Conference Locations

Welcome to euspen's **International Conference and Exhibition**. The event will be held in Krakow at the **Premier Kraków Hotel**, Poland. The conference will take place inside of the hotel.

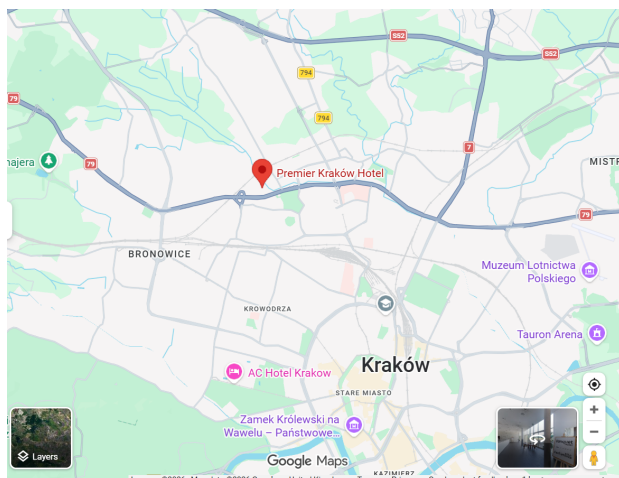

- [Premier Krakow Hotel- Google Maps Location](#)
- [Cracow University of Technology - Google Maps Location](#)

Address:

Premier Kraków Hotel, ul. Opolska 14A,
31-323 Kraków,
Poland

Venue, directions and travel information can be found on the venue, travel and social [webpage](#).

Click the map to access an interactive version highlighting the conference Hotel and view places in Krakow.

Red pin indicates Conference location.

Accommodation

We have provided a list of recommended hotels for your stay, with discounts and special room rates available through specific links on our website. Please find more details [here](#).

To access this information, select the '**Venue, Travel and Social Information**' tab and then click on '**Accommodation**' to view our hotel recommendations.

euspen HQ will be staying at the **Premier Krakow Hotel**.

Conference Registration

The registration desk will be situated at the main entrance to **Premier Krakow Hotel**. Clear signage within the venue will direct you to the conference and registration area.

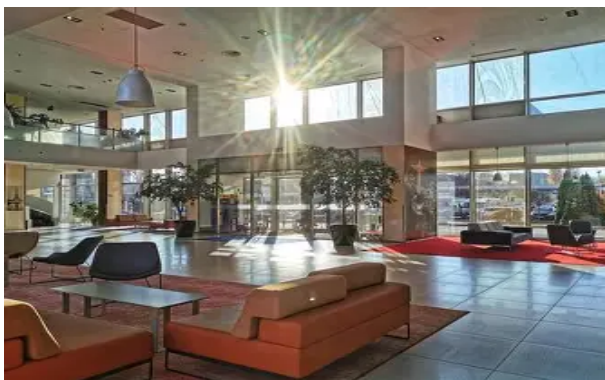

Registration times are as follows:

Monday 8th June: Between **14:00 - 16:00** (early registration)

Tuesday 9th June: From **08:00** onwards

Please note: If you are attending a tutorial and/or workshop on Monday 8th June, your conference badge and welcome materials will be given to you at tutorial/workshop registration.

Delegate badges must be worn at all times during the conference.

Programme

The full conference **programme** is available on the event webpage, and a summary of the day's events are detailed below. Please note that all times are shown in Central European Summer Time (CEST).

Date	Programme Summary	Location	Time (BST)
Monday 8th June	<ul style="list-style-type: none"> - Tutorials - Workshops - Early Registration - Welcome Reception 	Premier Hotel Krakow Premier Hotel Krakow Premier Hotel Krakow Premier Hotel Krakow	09:00 – 12:00 14:00 – 17:00 14:00 – 16:00 18:30 – 20:30
Tuesday 9th June	Conference: Day 1 <ul style="list-style-type: none"> - Registration - Keynote Presentations & Oral Sessions - Tribute to Prof. Pat McKeown - Industry Presentations - Exhibition 	Premier Hotel Krakow Premier Hotel Krakow Premier Hotel Krakow (Lobby space)	08:00- Onwards 09:00 – 17:30 09:00 – 17:30
Wednesday 10th June	Conference: Day 2 <ul style="list-style-type: none"> - Keynote Presentation & Oral Sessions - euspen 26th International Conference & Exhibition in Krakow - HEIDENHAIN Scholarship Awards - euspen AGM - Poster Session - Exhibition - Exhibitor Drinks Sponsored by Professional Instruments - Networking Dinner 	Premier Hotel Krakow Premier Hotel Krakow Premier Hotel Krakow Premier Hotel Krakow (Plenary) Premier Hotel Krakow (Poster area) Premier Hotel Krakow (Lobby space)	08:30 – 17:45 09:00 – Onwards 11:50-12:00 12:10-12:25 12:10- 13:00 & 16:50-18:00 09:00 – 17:30 17:45 – 18:30 20:00 – 22:30
Thursday 11th June	Conference: Day 3 <ul style="list-style-type: none"> - Oral Sessions - Poster Session & Poster Awards Sponsored by Mesago - Exhibition 	Premier Hotel Krakow (Poster area) Premier Hotel Krakow (Lobby space)	09:00 – 14:30 10:45 – 12:45 09:00 – 15:30
Friday 12th June	Technical Tours <ul style="list-style-type: none"> - Optional live demonstration of two VR training scenarios developed within WP4, using Meta Quest headsets. - Transport back to the hotel 	Cracow University of Technology	09:15-12:00 12:00-12:20 12:30

Tutorials and Workshops - Monday 8th June

The tutorials and workshops will be held at **Cracow University of Technology**. Tutorial and workshop registrations will take place at the Premier Krakow Hotel.

Tutorials	Room	Time (BST)
Tutorial 1: Passive Damping in Mechatronics Systems by means of Polymers- Pieter Wullms, MI-Partners, NL Lunch included	Conference Rooms Premier Krakow Hotel	08:30 – 17:00
Tutorial 2: Dimensional metrology based on ultrashort pulse lasers and optical frequency combs Prof Gao, Tohoku University	Conference Rooms Premier Krakow Hotel	09:30 – 12:30
Tutorial 3: Surface metrology for Precision Engineering... Process and Practice Magdalena Niemczewska-Wójcik, Krakow University of Technology	Conference Rooms Premier Krakow Hotel	09:30 – 12:30

Workshops	Room	Time (BST)
Workshop 1: Application of Digital-Metrological Twins for emerging measurement technology in advanced manufacturing <i>Dr. Walter Knulst, VSL (ADAM's WP1 leader) and Guido Tosello, PhD Associate Professor, Technical University of Denmark</i>	Conference Rooms Premier Krakow Hotel	14:00 – 17:00
Workshop 2: Robotics For Medical Applications and Scientific Exploration <i>Prof. Andreas Archenti, KTH, SE, Associate Prof. Toru Kisaki, University of Tokyo, JP and Assistant Prof. Saul Heredia also from University of Tokyo, JP</i>	Conference Rooms Premier Krakow Hotel	14:00 – 17:00

Welcome Reception - Monday 8th June

The welcome reception will be held from **18:30 – 20:30 hrs** on **Monday 8th June**. This year, we will be kicking off the Welcome Reception in the Hotel lobby (where our exhibitors will be positioned) and the adjoining outside space. Our exhibitors are an integral part of our conference, and we invite our delegates to join us with an opportunity to catch-up with old and new friends in one of Krakow's most prestigious venues.

Keynotes

We are delighted to welcome the following three prestigious keynotes who will be presenting at the conference.

Tuesday 9th June

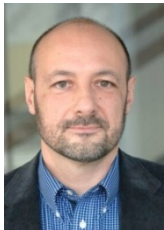

09:30 – 10:00

Prof. Adam Woźniak

Warsaw University of Technology, Poland

On-machine in-process coordinate measurement

Tuesday 9th June

10:00 – 10:30

Prof. Dr.-Ing Michael Marxer

Eastern Switzerland University of Applied Sciences, Institute for Microtechnology and Photonics, Competence Centre for Production Metrology

Aperture Calibration at 0 °C: Metrological Challenges Beyond Established Standards

Wednesday 10th June

08:30-09:00

Prof. Dr.-Ing. Julian Polte

TU Berlin and Deputy Director Fraunhofer IPK

Head of Business Unit Production Systems at IPK

Managing Director Institute for Machine Tools and Factory Management (IWF)

Head of Chair Machines and Technologies for Additive Precision Manufacturing of Metal Components at IWF

Empowering Global Health by Precision Engineering

Oral Presentations

A detailed timetable of all oral presentations can be found on the conference [programme](#). Questions will be taken in the allocated discussion slot(s) with each session.

Poster Sessions

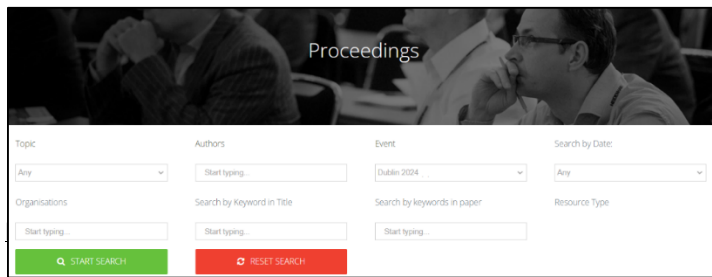

All posters will be displayed throughout the conference with dedicated time in the programme on Wednesday 10th and Thursday 11th June to allow our delegates to view all posters. We request that the authors stand by their poster during these sessions and make themselves available to any questions.

Don't forget to vote for your best poster – voting forms can be found at the **euspen** exhibition booth. Voting forms should be placed in the voting box by **12:15 on Thursday 11th June**. Poster numbers can be found [here](#).

Conference Proceedings & Papers

A digital copy of the conference proceedings will be provided on a USB stick to all delegates during registration.

All papers and an interactive copy of the conference proceedings will be uploaded onto the **euspen Knowledge Base** prior to the conference. These will be found by selecting ‘Krakow 2026’ under the event dropdown.

We look forward to bringing together foremost industry leaders from across the globe. We encourage delegates to visit our exhibitors located in the hotel lobby of the Premier Krakow Hotel.

Find out more about the latest advancements and technologies from each exhibitor on the [exhibitor webpage](#).

Many of the exhibitors will be presenting during the integrated **Industry presentation sessions** which will be held on **Tuesday 9th and Wednesday 10th June**. Further information can be found on the event [programme](#).

Exhibitors:

Aerotech	AFiSY Technologies	Attocube
AVL	Cameca	Cranfield Precision
Digital Surf	Eitzenberger	Heidenhain
IBS Precision Engineering	JPE	Kern
Loxham Precision	Mad City Labs	MDPI
MI Partners	Polytec GmbH	Prior Scientific
Professional Instruments	SIOS	Smaract Metrology
Werth	Zygo	

We are extremely grateful to our exhibitors and conference sponsors who are once again supporting this event.

euspen Council Elections 2026 - Wednesday 10th June

As you may be aware, each year elections take place for a number of seats on euspen Council. This year there are four seats available and on behalf of euspen’s Nominating Committee, we are pleased to introduce the four candidates standing for election.

- Dr. Jörg Drescher (DE), DR. JOHANNES HEIDENHAIN GmbH, DE
- Prof. Dr.-Ing. Julian Polte (DE), TU Berlin, Institute for Machine Tools and Factory Management IWF, DE
- Prof. Dominiek Reynaerts (BE), Katholieke Universiteit Leuven, BE
- Dr.-Ing Oltmann Riemer (DE), Laboratory for Precision Machining, Leibniz Institute for Materials Engineering, Bremen, DE

Members would have received their online voting form; however, a paper voting form will also be available from the euspen registration desk.

Voting closes at **10:00am (CEST) on Wednesday 10th June 2026**. Voting forms should be placed in the voting box on the euspen registration desk by **10:00am on Wednesday 10th June 2026**.

Election results will be announced at the 2026 Annual General Meeting at Premier Krakow Hotel, at **12:10pm on Wednesday 10th June**.

Conference Networking Dinner - Wednesday 10th June

The Networking Dinner for conference delegates will be held at [Stara Zajezdnia](#) and coaches will leave the hotel at 18:30.

Occupying a whole block in the very midst of Kazimierz, the historic Jewish Quarter south of the Old Town, Stara Zajezdnia is housed in a vintage tram shed that dates back to the pre-war period. It brings the hubbub of Bavarian beer garden to the interior spaces and adds real energy to the outside.

They do both food and – of course – beer at Stara Zajezdnia Krakow. The latter comes from the onsite microbrewery. There, they create three main brews, a dark stout, a light pils, and a honey beer that's okay if you want something sweet. The onsite tavern serves big slabs of meat in the Polish style (with mustard and a salad that's almost impossible to see) and all manner of other pub grub, from stacked burger patties to chips.

If you have booked to attend the Networking Dinner, confirmation of your reservation will be indicated on your conference badge. Your badge will serve as your admission ticket for the evening.

If you have any dietary requirements that were not indicated during your registration, please inform us as soon as possible at info@euspen.eu. Please note that we may not be able to accommodate late dietary requests.

It is important that you bring your conference badge with you to the dinner, as it will be required for entry.

Please note: Transportation to and from the Networking Dinner will be provided by coach.

Presentation for Exhibitors – Thursday 11th June

A presentation about our next International Conference and Exhibition - Espoo, Finland in conjunction with Aalto University will be given to our exhibitors on Thursday at 10:00-10:20am.

We would be grateful for any feedback from our exhibitors during this time.

Transportation Information

There are a number of public transport options available for delegates. The conference venue can be reached by car or by public transportation, and further information can be found [here](#).

Discover Krakow

Krakow is a vibrant city of nearly 800,000 people, celebrated for its rich cultural heritage and dynamic urban life. It perfectly blends centuries-old history with a modern, lively atmosphere, showcased through its many festivals, traditional music, arts, and sports activities.

Discover your perfect guide to Krakow. You will find more information on what Krakow has to offer by visiting the following websites:
