

Special Interest Conference

Precision Motion Systems & Control

17th-18th November 2026

Brabanthallen's-Hertogenbosch,
The Netherlands

euspen

Dear Delegates,

We very much look forward to welcoming you to eu**spen**'s Special Interest Conference on Precision Motion Systems & Control which will take place at Brabanthallen's-Hertogenbosch in the Netherlands from Tuesday 17th – Wednesday 18th November 2026.

To help you with your planning, we have provided a summary of key information for the meeting.

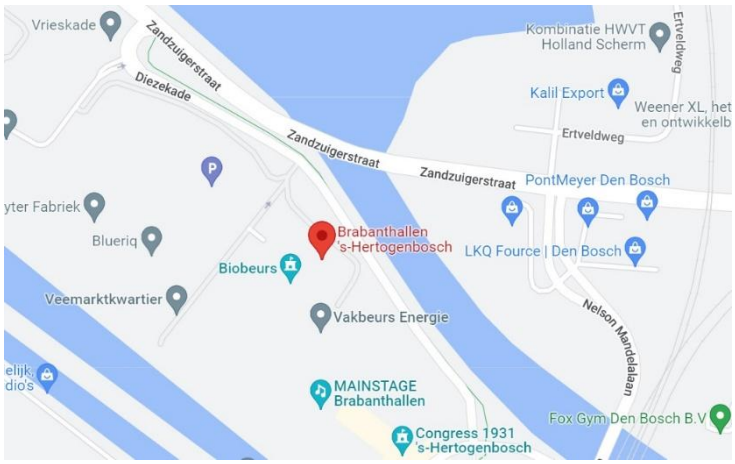

1. Meeting location
2. Registration
3. Programme
4. Keynotes
5. Discussions
6. Poster Session
7. Networking Dinner
8. Tabletop Exhibition
9. Abstracts
10. Precision Fair

For any questions, please contact info@euspen.eu

1. Meeting location

Address:
Brabanthallen 's-Hertogenbosch
Diezekade 2
5222 AK 's-Hertogenbosch
Netherlands

Room: Bosch-1

2. Registration

Registration will take place on Tuesday 17th November from 08:15 – 09:00 at the entrance of the Paradezaal room. Upon registering you will be given your delegate badge and meeting programme.

We kindly request that you return your delegate badge at the end of the meeting.

Please note, any outstanding registration invoices must be settled prior to arrival.

3. Programme

The full meeting **programme** is available on the event webpage and a summary of the day's events are detailed below. Please note that all times are shown in Central European Time (CET).

Date	Programme Summary	Time (CET)
Tuesday 17th November	**Meeting: Day 1** - Keynote & oral presentations - Question & discussion sessions - Poster session 1 - Commercial session - Networking dinner	09:00 – 22:00
Wednesday 18th November	**Meeting: Day 2** - Keynote & oral presentations - Question & discussion sessions - Poster session 2	08:30 – 14:15

4. Keynotes

Tuesday 17th November 2026

09:10 – 09:40

Dr Conor Mow-Lowry
Vrije Universiteit Amsterdam and Nikhef

"Controls co-design for the Einstein Telescope: Combining fast mechanical simulations with robust optimisers"

11:30 - 12:00

Dr. Oier Franco
IDEKO

"Active vibration control in large scale machine tools."

Wednesday 18th November 2026

08:30 – 09:00

Prof. Dr. Ir. Hans Vermeulen
ASML and TU/e

"Paradigm Shift from Contact to Control: The Evolution of Bearing Principles for Precision Motion"

5. Discussion

The discussion sessions follow the oral presentations and these are an opportunity for delegates to ask the presenters questions and enter into open discussion around state-of-the-art practice, key research, and developments. These sessions will be facilitated by the Session Chair.

6. Poster Session

During the poster session each poster presenter will give a 2-3 minutes summary of their poster. Delegates will have an opportunity to ask poster presenters questions during the coffee and networking breaks.

Poster presenters, you will find your poster number on the printable **programme**.

7. Networking Dinner

The evening networking dinner will be held on Tuesday 17th November from 18.15 – 21.00 (CET) at **The Three Amigos**. Delegates will walk 20 minutes to The Three Amigos restaurant from the Brabanthallen.

Please note, as the evening will be held in the city centre return transport will not be provided. Delegates will be required to make their own travel arrangements after the networking dinner has finished.

8. Tabletop Exhibition

The exhibition will be open throughout the event. A dedicated commercial session will take place on **Tuesday 17th November** at **15:15 – 15:30** for exhibitors to give a 5-minute presentation about the company and its capabilities.

ASML SmarAct metrology TNO ZEISS

ANDERSEN ELECTRONIC DESIGN LTD.

Please take the time to visit the exhibitors to learn about and discuss their latest products and services.

9. Abstracts

All Precision Motion Systems & Control 2026 abstracts will be accessible via the proceedings section of the eu**spen** **knowledge base** from Friday 13th November. Please select 'SIC PMSC' from the event drop down to access the abstracts.

10. Precision Fair 2026

All Precision Motion Systems & Control delegates will be given free access to the Precision Fair which takes place on-site from 18th – 19th November 2026. Delegate badges for access to the Precision Fair will be given to delegates during registration.

For information about the Precision Fair, please visit the event **webpage**.

On behalf of the eu**spen** team and the organising committee, we wish each of you a pleasant and safe journey and look forward to meeting in the Netherlands.
